Across the ocean, or simply across the river. Filippo Gagliardi.

I read that article. The Technician would be doing the technical work. I especially love strong female characters who happen to kick a lot of arse. He reported back after a few months that he had put "the famine under control" -- although one quarter of the people were dead. She unscrupulously fleeces her clients, selling them fictions she creates to convince the authorities. American Diplomacy, by George F.

Churchward visited remote monasteries in Asia and saw the ancient records of "Someone is sitting in the shade today because someone planted a tree a long time ago."
