Compiling one is daunting for any individual because he or she will inevitably be forced to work beyond his or her own area of expertise. The Scriptures are very clear about what is and is not a sexual sin. The files from four histopathology laboratories located in the city of Pelotas were obtained, and all of the epidemiological and clinical data from the PCM diagnosed cases were collected for analysis. Shchapov, strongly reflected this dual challenge, although in an historical context. The inclusive learning community, diverse patient care experiences, and supportive reflection will promote the ability to recognize and value the strengths of diversity in our community.
