Poetry of Witness: The Tradition in English, 1500-2001

And how much more often is the reverse true, that rhythmic verse does not deserve to be classed as poetry The plight of man, struggling valiantly with the unpredictable forces of nature and the whole of society; his life's unbearable sorrows, its triumphs, loves, achievements, eminence; his eternal wish to leave a lasting mark behind him; the

immensity, the mutability, the complexity and the wonder of life and nature; the supernatural deity recognized as controller of the universe; the vastness of the heavens, the tranquillity of the earth; the rotation of years, months, hours, seasons; human society; the lives, deeds, and changing fortunes of its kings, generals, and heroes; the battles which decide the fate of nations; the labours of powerful men who take upon themselves the betterment of civilization; the great upheavals in human affairs--all these are part of it. Half Maju and the Narabatun are women and children.
