His biography of controversial progressive educator Harold O. Here, faith and reason unite, the religious dimension and the various aspects of human culture - art, science, labour, literature The places where knowledge is developed and communicated are also the places where a culture of closeness, of encounter and dialogue can be created that lowers defences, opens doors and builds bridges. If the Macedonians, therefore, as you imagine, had been frightened at the innumerable forces of the Cuphites, and therefore returned hastily into their camp, I do not see why Justin should say, at the end of his victory, inspire terror into the enemy, or that they returned to their camp with thanksgivings.

The transfiguration especially calls us to direct our look to the face of Christ
