Movies, New York, Abrams, pages. We had a scare the other week when we couldn't find Tala. Public works in post-Mutiny India were driven first by the exigencies of military control and, second, by the demands of export agriculture. Many emigrants were small under-capitalised grain farmers who were squeezed out by low prices and inability to increase production or adapt to the more complex challenge of raising livestock. Ich

idea is to provide a dual service, for both books and for
journals: on the one hand, there is a complete and up-to-date
list of the latest publications; on the other, an annotated
anthology which picks out, within the mare magnum of law
publishing, the most interesting contributions and in this
context inserts the reviews written by those collaborating
with the site. Most of the companies at the top of my list
were of the self publishing variety, and cost an arm and a
leg.
